

SE99 Telephone Survey Instrument: Variable name by question, with description.

Items on the questionnaire that the angler does not know the answer to are coded with "8"'s. Items that are refused are coded with "9"'s. If interviewer is not certain respondent is at least 16 yrs of age, simply ask respondent if he/she is at least 16 yrs of age. If < 16 yrs of age, then thank respondent and terminate. If the individual had been intercepted twice and this contact was the second telephone follow-up they had participated in, the short form was used.
